OUR SOUND TEAM is proposing that Sound Force replace the sound system in the Sanctuary with a Bose System. The current system was state of the art in its day and has served us well for over 20 years. Since the current system has aged, and technology has improved, we believe that the new system will give a much more clear and even sound. The complete estimate is on the table in the welcome area. We are asking for your help to cover the \$17,565.20 cost.

BLOOD DRIVE: Faith Community will host another blood drive on Monday, October 13, 2014 from 2:00 to 6:00 PM. Please help your community and others in the Miami Valley by donating blood. EMERGENCY MANAGEMENT PERSONNEL: Who are the EMP's? Emergency Management Personnel are the ushers, staff members, spirit.fire.band members, Common Cup leaders, and so on that will direct people in case of an emergency. A brochure is available in the welcome areas with information for severe weather, fire, intruder, suspicious substance, first aid kit and AED locations, and a map of the church. A CPR class will be offered (TBA) to the Emergency Management Personnel. The EMP's would like to compile a list of medical trained individuals who would be willing to help in a medical emergency. Please contact Jeanne Mills, christianeducationdir@fcum.org if you would like to add your name or would like to take a CPR class.

SERMON NOTES

October 12, 2014

“Generous Hearts – The Heart of God”

Matthew 22:1-10

What can lead to a more joyful and content life?

What are some clues that God has a generous heart?

How would you summarize the parable of the wedding banquet in your own words?

What was the response of the first group who were invited?

What was the response of the next group who was invited?

What does this parable tell us about God’s heart for us?

Why is it important that generosity begin in the heart?

Who do you think represents you? The king, the servants, or, the guests?

What will you do differently this week because of God’s generosity?
