Here is your chance to update YOUR record for our annual Guide Book & Directory (if you haven't already done so). It is time for us to update our database with any changes, additions, or deletions that may have occurred in YOUR family over the past year. Have you changed your phone number? Have you moved? Are you preparing to move soon? Are all of your children still at home and are they all included in your membership record? Do you want your record published? If you have not already informed the Church Office about changes to your record, please let us know now so that the information in the Guide Book & Directory is correct.
