### From the Pastor

#### The Gift of Joy

Dear Friends,

As Easter approaches, I find myself thinking about the [death](#) and [resurrection of Jesus](#). The purpose of his life was to offer himself as a sacrifice for the sins of mankind. The Bible says that [Jesus](#) became sin for us so that we could be forgiven and found righteous in God's sight (2 Corinthians 5:21). Jesus was so certain of his purpose that he predicted [when and how he would die](#) (Matthew 26:2).

As believers and followers of Jesus, what is our purpose? Some would answer that it is to love God while others might say that it is to serve him. The bible refers that man's chief purpose is to glorify God and enjoy him forever. While considering these ideas, Hebrews 12:2 came to mind: *"Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him, endured the cross, scorning its shame, and sat down at the right hand of the throne of God."* [\(NIV\)](#)

Jesus looked beyond the suffering, shame and death he knew was to come and focused on the joy that would be.

What is this joy that so motivated him?

The Bible says that there is great joy in heaven whenever a sinner repents (Luke 15:10). Likewise, the Lord rewards good works and there is joy in hearing him say, "Well done good and faithful servant." Therefore, Jesus anticipated the joy that would happen when each person would repent and be saved. He also looked forward to the joy that would result from each good work done by believers in obedience and motivated by love.

The Bible says that we love God because he first loved us (1 John 4:19). Ephesians 2:1-10 tells us that by nature we are rebellious towards God and are born spiritually dead. It is by his love and [grace](#) that he brings us to [faith](#) and reconciliation. God has even planned our good works (Ephesians 2:10)!

What then is our purpose?

We can give him joy! What a wonderful God we have who honors sinners like us by giving us the ability to give him pleasure! He rejoices and experiences joy as we respond to him in repentance, love and good works that bring him glory! Give Jesus the gift of joy for he is looking forward to it!

As we gather on Palm Sunday to commemorate his triumphal entry into Jerusalem, let us wave our palm branches in celebration of his love for us. As we gather to partake in the sacrament of communion on Maundy Thursday may we cherish his gift to us with joy in our devotional being. Finally, as we awake with the dawn on Easter morn may joy fill our entire beings as we celebrate the everlasting joy of his resurrection. Here at Emmanuel, we have the opportunity to not only realize our purpose in the Lord but also to live it daily through the gifts he has given us through our fellowship. We are blessed with the Easter Gift of Joy!

Blessings-  
Rev. John

### **Maundy (Holy) Thursday Service with Communion**

**Thursday, April 18th @ 7:00p.m.** Let us gather on this night and remember the words of Jesus at the Last Supper as he prepared to face his death for our salvation. The service will include scripture, communion and musical reflections of the Passion of our Lord Jesus Christ.

**Please Note:** Confirmation Class has been postponed until September of 2019 due to many schedule conflicts and time restraints. The class will begin in September and Confirmation will be held in early Spring. I am so sorry to have to move this, but it is in the best interest of all of our students to wait for the Fall when schedules will allow a time for thorough preparation. Thank You!  
–Pastor John

## Earth Day is April 22, 2019

### What is Earth Day ?

Earth Day is an international day of celebration, awareness, education, and action that started in 1970. People around the world are realizing that we are taking the Earth for granted without considering our impact on it.

### Why is Earth Day Important to Us and the Earth?

We have long been aware that daily air pollution, water pollution and land degradation are not natural phenomena. They are the result of human activities, but up until thirty years ago we were not sure of the lasting impact of our polluting activities. We believed that the Earth had the ability to balance any disruptions that were thrown at it. The scientists who were studying the earth's ecosystems realized that that was no longer the case and that our polluting activities had exceeded the ability of ecosystems to clean up the pollution. The romantic concept of “the balance of nature” had become an illusion.

We humans have been on the earth a long long time. God created us as well as all the other forms of life. In Genesis chapter 1, verse 28, we read God “ blessed them (Adam and Eve) and told them to be fruitful, increase in number, fill the earth and subdue it.

“ (Revised Standard Version). The word “subdue” is the English translation of the Greek word “ kabas” which means: to bring under control. This word has a variety of meanings but it does not mean to *pollute*.

We are in a situation today where the Earth, our atmosphere, our rivers, oceans and land are being subjected to more man-made pollution than ever before in human history. This is a scientific fact. The facts are *beyond* political, economic or ideological argument . On November 2, 2018 National Public Radio reported on the Mas-  
sive Government Report (600 pages) That Says Climate Is Warm-  
ing And That Humans Are The Cause. The report's authors are leading climate scientists under the Trump Administration, National Oceanic and Atmospheric Administration, NASA, the Department of Energy as well as academic climate scientists. This Climate Science Special Report is the most comprehensive climate report that has ever been done in America. “It is like going to your doctor and being given a report on your vital organs,” says Rachel Licker, an environmental scientist from the Union of Concerned Scientists. She notes that the authors assessed more than 1500 scientific studies and reports in making their conclusions.

Much of the pollution today is not very obvious. Thanks to the Clean Air Act and the creation of the Environmental Protection Agency in 1970 , and the Clean Water Act of 1972, most of the visible pollution is outlawed. We no longer have industrial smoke stacks relentlessly spewing out multicolored smoke or burning rivers like the Cuyahoga River in Cleveland in 1969. However, we still have much pollution of our air and water that it is not directly observable. Greenhouse gases are invisible and are the biggest source of air pollution since the beginning of the industrial revolution in the 1700s. They have been increasing ever since. Greenhouse gases consist of carbon dioxide, methane, nitrous oxide, ozone and water vapor. As a pollutant in our atmosphere carbon dioxide from the burning of fossil fuels (coal, oil and natural gas ) is by far the biggest problem. This kind of carbon dioxide stays in our atmosphere for a very long time and is responsible for most of the atmospheric temperature increase, global warming. This carbon dioxide is not part of the daily natural biological carbon cycle. The fossil fuel coal is used for the greatest percentage of our electricity generation. Natural gas is replacing coal because it is much cheaper to produce. Oil products , gasoline and diesel fuel, are

used mostly for transportation (cars, trucks, buses and trains). In previous generations wood, coal and oil were burned within our homes for heat, now electricity, natural gas (methane) and propane are the primary source of our home heating. Whether we realize it or not, we are all contributing to global warming . It is also creating health problems for people and that is an additional problem.

So, what can we do to make to a healthier environment and a healthier planet? The amount of carbon (carbon dioxide and methane) that we contribute to the atmosphere is called our *carbon footprint*. The more gasoline we burn in our vehicles, the more coal generated electricity we use in our homes and businesses, increases our carbon footprint. If we drive more fuel-efficient cars and trucks we reduce our carbon footprint. If we buy vehicles that produce fewer greenhouse gas emissions, that reduces our carbon footprint. If we buy hybrid or electric vehicles that will help. If we reduce the amount of electricity we consume from coal generated sources we reduce our carbon footprint. If we install solar panels to generate electricity for homes and businesses, that reduces our carbon footprint. These are just some of the ways we have learned to reduce our carbon footprint. If we Google “How to reduce our carbon footprint” that is a great start.

The time has come, indeed, and it is way past due, to reduce our pollution of our BEAUTIFUL, SUSTAINING EARTH THAT GOD HAS GIVEN TO US. ***ALL OF US NEED TO LIVE AS IF EVERY DAY IS EARTH DAY! EARTH NOW DEPENDS ON US!***

## Faith Community Preschool

We are now accepting registrations for 2019-2020 school year. We will be having an Open House/Carnival at the end of the year in May. More details to come in next month's Faith Links.

## United Methodist Women

The Priscilla Circle of Faith Community's UMW held a successful Prayer Breakfast on Saturday, March 16. There were 63 women in attendance. The speaker was Sheila Luther. Mrs. Luther related her experiences during the 13 years she spent in prison, the way she found God and forgiveness during that time, and the ministry she, her husband, and her faith partner now offer other women who are incarcerated. All feedback has been positive. If you did not attend, we missed you. If you did attend, thank you.

The UMW are planning to again sell carnations for Mother's Day. The sale is slated to begin on Sunday, April 14 and end on Sunday, May 5. There are no plans to sell carnations on Easter Sunday.

### CIRCLES:

Lydia – Wednesday, April 10, 7-8:30 pm in the Parlor

Priscilla – Monday, April 15, 7-9 pm in the Parlor

Dorcas – Tuesday, April 16, 1-3:30 pm in the Parlor

## Easter Flowers

It is time to order the flowers for the Easter service. The order forms will be in the bulletins the next two Sundays, March 31 & April and in the church office until April 11, 2019. You can order lilies and tulips for \$11.00 each. We must have the order form and payment by April 11 to order the flowers.

## Men of Faith

The Men of Faith will meet on Monday, April 15 at 6:30 p.m. in room #6 and a meal will be served. The program will start at 7:00 PM. Come at 7:00 if you only want to attend the program. Men, please call William (Brownie) Brown (372-7373) if you plan to attend for the meal, so we can plan the quantity of food needed. All

men are welcome and you can bring a friend. Hope to see you on the 15th.

The program for this month's Men of Faith meeting is:  
**A PRESENTATION FROM "HER STORY HOUSE" AT 7:00 PM IN THE CHAPEL AND EVERYONE IS INVITED TO COME AND LEARN WHAT IT IS AND HOW IT WORKS.** Her Story House provides a safe place where women can stay for the 60 days required to be clean from drugs before they can be accepted into a drug rehab program.

## Congratulations to FCUM's College Graduates

Faith Community has two members who will soon graduate with Bachelor's Degrees. Emma Horney will graduate from the University of Kentucky and Brant Wickline will graduate from the Ohio State University. Both graduated from Cedarville High School in 2015 and both will graduate this spring with a degree in Agriculture. Emma and Brant would welcome your prayers as they transition from the academic world to the world of job interviews and hopefully employment in their chosen fields.

### Stephen Ministry – Be a Sorrow Bearer

In the devotional book *Seize the Day with Dietrich Bonhoeffer*, Charles Ringma shares this quote from Bonhoeffer: “The disciple-community does not shake off sorrows as though it were of no concern of its own, but willingly bears it.”

Stephen Ministers are sorrow bearers. They are not sorrow fixers, sorrow brighteners, or sorrow deniers. They come alongside a hurting person to listen, care, support, pray, empathize, encourage—to bear another's burdens and so fulfill the law of Christ (Galatians 6:2). And through their sorrow-bearing, God brings about real, lasting healing. An effective sorrow-bearer remains connected to Jesus who “took up our infirmities and carried our sorrows” (Isaiah 53:4). Jesus, incarnate in you, empowers you to be a sorrow-bearer. He makes sorrow bearing possible—and powerful.

Whether or not you are involved in Stephen Ministry, you probably won't have to look hard for opportunities to be a sorrow-bearer, because they'll come looking for you. Welcome them. By sharing people's burdens so that God's healing love can flow through you to those who are hurting, you'll make a real difference in people's lives—and your own life will be immensely enriched as well.

The above correspondence was shared by Rev. David A. Paap, Program Director of Stephen Ministries, St. Louis.

If you would like more information about Stephen Ministry, contact Becky Cultice at 376-5747.

**FYI:** The next training class for Stephen Ministers will begin in September. Additional details will be available in the coming months. In the meantime, prayerfully consider whether or not God is calling you to be a part of this important ministry.

## **Educational Assistance**

Guidelines and application forms for FCUMC's Educational Assistance are available in the narthex and church office. This year assistance will be offered to graduating high school seniors who are contemplating entering a college or technical school in the fall of 2019 as well as to upper classmen currently enrolled in college. These forms must be completed and returned to the church office by the April 14, 2019 deadline.

## **Sunday School**

Double I Class is studying Max Lucado's "He Chose The Nails" during Lent.

## **Nursery/Child Care**

Is now available from 8:45 - Noon on Sundays and 6 - 9 Wednesday evenings (Bell and Chancel Choir rehearsals). If nursery/child care is needed for any other events, please let Wayne Cook and/or Deb Klaty know.

**Are you aware of the dangers of radon that could be in your home? Do you know if your home has been tested?**

The state of Ohio sponsors free radon test kits for residents, The website also has more information about radon along with a link to the order form to have a FREE radon test kit sent to your address. Order your test kit and you can find out if the radon level exposes you to any health risks. Website address is:

<https://doctorhomeair.com/ohio/>

**Note:** I can attest to this because we discovered a high level of radon in our home about ten years ago, which was successfully re-mediated. We just recently did another test and remain at normal levels.– Jackie Foster

### **Easter Sunday Breakfast**

Yes, we are in the process of planning an Easter Breakfast. We will be serving an egg casserole and also baked eggs for our gluten free friends) cereal, bacon, juice, bananas, oranges, and breads home made by the women of the church. We will begin serving at 9 am and end at 10:10 to allow time to eat before Easter Service. We hope you all can join us and also bring a friend. Reservations are not necessary. Cost is free. If you want to donate, just add it to the offering plate during our service. What a great way to celebrate our risen Lord by sharing a meal together. If you would like to help with this breakfast in any way, please call Virginia Pinkerton at 937-766-5670 or at [vap1222@att.net](mailto:vap1222@att.net).

### **Easter Egg Hunt**

Carla Skaggs and her family have agreed to head up the Easter Egg Hunt which will be at 10 am. She will be asking for items to fill the eggs. We do not need eggs. Please check the bulletin for more information in the coming weeks. All children, grandchildren, neighborhood friends, and any and every child are invited to attend. Come early and join us for breakfast as well.

## Sunday School

Yes, we have Sunday School for your child. In April, the class will be led by Kylie Fleming and Karen Mossing. Bring a young child to Sunday School. We have noticed that children do best when they come nearly every Sunday. They begin to fit into a comfort zone and feel more a part. If you would like to attend with your child for a few Sundays you are welcome to do just that. We also have several adult classes. We would love your input as we grow in our Christian walk.

## Fish Food Pantry Donation Report

During 2018, Faith Community UMC members donated 738 pounds of food to the Fish Food Pantry. That doesn't include the 479 lbs of tomatoes and 26 dozen ears of corn the Men of Faith grew and donated. Maybe we can reach 775 pounds this year.

Thanks for your many contributions. May God Bless You.

Report by : Sharon Sherer

**The Unbroken Circle**, a congregational ministry, supporting members who may be ill or grieving, is organizing a project we call "The Casserole Caravan." We are looking for volunteers willing to provide food when a need arises – for example, during or after a hospitalization, during a short term disability, the arrival of a new baby (or 3) or after a death in the family.

If you are interested in joining the "Caravan", please contact Julie Wickline at [wicklinecasa@aol.com](mailto:wicklinecasa@aol.com) or 937-207-8289, for questions or to provide your e-mail or contact number.

## Featuring....

A Faithful Friend of Faith Community  
Cindy Elliott

Dear Friends,

Last month I interviewed Ann Ledbetter, a long time member of Faith Community so I thought it might be interesting to touch bases with a newer member this month. That led me to a visit with

Cindy Elliott who recently accepted the volunteer position of lay leader for our church.

Cindy was born in Greenville Ohio and was raised in a Christian family that attended church every Sunday. Daily family devotions were a must. God was always a vital part of her life and many times He intervened for her welfare. Cindy attended the local career center and graduated from Brookville High. She worked at the career center and then the local Ben Franklin Store.

On March 8, 1979 Cindy married Robert Elliott. Robert had been married previously but his wife and two children were tragically killed in an automobile accident. The story of Cindy's courtship and marriage is so amazing that they should be shared by her and not me but her Christian background helped her through some amazing and difficult times. By 1991 Cindy and Robert had 3 boys, and she held a job at the Rite-Aid Pharmacy department when Robert had two strokes. He was forced to go on disability. Cindy's sister had surgery related to Crohn's disease and her hospital care was below par. As a result, God called Cindy into the nursing profession. This required school and school required money and time. She had neither, so she prayed. She applied for financial aid. At the end of the introductory class the teacher asked Cindy and three other students to remain. All four received a scholarship to cover, books, gas, uniforms, etc. She drove home full of praises. One year later she graduated as an LPN. She passed her boards and took a 3<sup>rd</sup> shift job in an Alzheimer's unit. That job did not bring her joy. (As you might know, Cindy is all about joy.) A lady at work prayed with her for a new job. It worked! Soon Cindy was working for Premier Health Partners, a job she has held for 25 years.

During this time, Robert did all he could to help out at home. The family was active in the Verona United Methodist Church where Cindy served as worship leader, treasurer, choir director, sprc member, ad board member, finance chairman, and taught Sunday school. In 2015 Robert died while undergoing back surgery. She mentioned she will cherish forever the time they shared just before surgery. She knows God guided her through some difficult times. Soon after, her job transferred to the Dayton area and Cindy relocated to Xenia. Her second Sunday in Xenia she found our church. Cindy is our new lay leader. Her job is to be a liaison between the congregation and the pastor.

She is hoping people will feel more comfortable around her as she gets to know them. She chose our church because we preach the word of God and there is a lot of love among the members. She sees a need for more Bible Study and more outreach to each other and the community. If you don't know Cindy, look for a tall, light gray-haired lady with a big smile. During the service she will be the one with her hands reaching up to Jesus as she praises him. Get to know her. Her strong faith and her love of Christ will make your soul leap for joy. ~Virginia Pinkerton

FCUM Financial Standing

February Income	\$28,439	YTD Income	\$51,033

**Thank You**

*On behalf of the staff, volunteers, our board, and myself, we would like to thank you for your contribution. Whether it was food items or monetary, it was welcomed and put to good use. Each dollar provides 5 lbs. of food.*

*Again, our thanks. We hope that you will continue your support which makes possible the work that we do.*

*Sincerely,  
Gail Matson, Xenia FISH Food Pantry*

*During times like this we learn how much our family and friends really mean to us. Your expressions of sympathy will always be remembered.*

*Love,  
Genevieve Kroemer and family*

**Deadline for May Faithlinks:  
Monday, April 15**

**UNITED  
METHODIST  
MEN'S ANNUAL**

**GARAGE SALE IS SCHEDULED FOR Friday, May 3rd and Saturday May 4th. Many have already responded with items for the garage sale and we are so appreciative of your support. If you are planning on donating significant items, it would be helpful if you would list those items below. Typical items donated are dishes, glassware, pots, pans, electrical items, pictures, games, toys, bikes, clocks, radios, TV's, garden tools, tools, mowers, & etc. Please no clothing, and please make sure electrical items are in working condition. If you have a garage sale prior to ours and have items left over, call us and we'll arrange to pick up left over items. Items may be dropped off at the Community Center Thursday, May 2nd from 1 to 8 PM, or Friday May 3th from 9 AM -11 AM. The sale runs from 6 to 9 PM Friday evening and will continue Saturday morning 9 AM to 12 noon. Pick up of items may be arranged by calling John Sherer at 372-2204. Please list major items you plan to donate and put in the offering plate, turn into the church office, or give to John Sherer.**

## Save the Date

VBS is coming June 17-21!!!  
Mark your calendar and  
come join the fun. We are  
planning a week of Wild and  
Exciting Bible Adventures  
for children 4 years to  
those finishing 5<sup>th</sup> grade.

Please prayerfully consider where you may fit into one of our crews: teachers, classroom helpers, craft workers, snack preparers, recreation leaders and helpers, musicians, greeters, photographers, nursery workers, decorators, registration assistants and other behind the scene workers. Watch for more details. Call Joyce Smith, 937-609-3907 or Betsy Murray, 937-768-1143 to volunteer or ask questions.
